The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filimage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.

from south to north, be first surveyed, saving the
Indians.

Resolved, That in dividing said territory into townships, it shall be had to the natural boundaries of townships in those cases where it is not in a rigid adherence to lines run east and west, nor to the lines which would manifestly prejudice the sales and surveys of townships.

Resolved, That as soon as nine ranges of townships, or parts of townships, of said first mentioned tract of territory, from south to north, shall have been surveyed; the geographer thereof to the board of treasury, and of the residue of the same as the same shall be surveyed---and as soon as ten ranges, or parts, and fractional parts of townships of the last mentioned tract, from south to north, shall have been surveyed; the geographer transmit plats thereof to the said board, and of the residue thereof as soon as surveyed.

Resolved, That the geographer direct four of said townships, in the first instance, in surveying the said last mentioned tract, and the other surveyors, in surveying the said first mentioned territory.
